

ATARI XE  
SOFTWARE LISTING

From  
ATARI and 3rd  
Party Developers

NEW SOFTWARE PRODUCTS  
FOR THE XE/XL COMPUTERS

All software that runs on the 800XL will also run on the Atari 130XE such as AtariLab and VISICALC. The software listed below also works on the Atari 800XL however, the developers have used the full 128K memory in the 130XE.
